

New Product: 4" PMA now with 3 Phase starters

Now save time, money and multiple purchase orders.

You can now order your Franklin 4" FPS pump and 4" 3 Phase Motor with a Franklin CP 3 Phase Eco Basic starter.

We add in our 4" splice kit too.

3 Phase Starters are matched to your Franklin 3 Phase motor for best operation and protection.

The CP3 Eco Basic range

- IP65 polycarbonate enclosures, Outdoor rated
- Direct On Line (DOL) with Thermal Overload protection
- Start/Stop buttons
- 0.37 kW to 7.5 kW, 415V 50 Hz

The 4" 3 Phase PMA price pages with 3 Phase starters are attached and these will be added into the next Price List update.

Remember: all FPS 4" PMA's have a 3 Year warranty too!

Any questions, please ask your ASM for more details
