

Changes: SubDrive75 QuickPAK's

The SubDrive QuickPAKs have been released now for 5 years with the External SD75 QuickPAK added in 2010.

From dealer feedback, your purchasing preferences and from our sales analysis of both QuickPAKs versions, we are announcing that we are discontinuing the SD75 Indoor QuickPAK from 1 December 2013.

The SubDrive 75 External QuickPAK offers better value and time savings to you with its included bore cap and stainless steel manifold with valves for minimal extra net dollars.

The SubDrive 75 External QuickPAK comprises;

- SubDrive 75 Pump end
- SubDrive 75 1.1 kW motor
- SubDrive 75 Controller in External enclosure
- Pressure Sensor
- 18 Litre Pressure Tank
- 4" Splice Kit
- Franklin powder coated bore cap
- Stainless Steel manifold and valve Kit

SDQP Kit	List Price excl GST	Model Number
SDQP75 - 25.160	\$2,950.00	93800705 E
