

Additions: 4 Inch FPS 4400 pump ends

We are pleased to announce that we have extended the 4 Inch FPS 4400 pump end models of the Tri-Seal and High Capacity SandHandler pump range.

Tri Seal	Size	Discharge
FPS-2A-78TS	2 m ³ h and 78 stages	1 ¼"
FPS-3A-62TS	3 m ³ h and 62 stages	1 ¼"
FPS-3B-52TS	3.5 m ³ h and 52 stages	1 ¼"
FPS-4A-44TS	4 m ³ h and 44 stages	1 ¼"

High Capacity	Size	Discharge
FPS-6A-42	6 m ³ h and 42 stages	2"
FPS-9A-31	9 m ³ h and 31 stages	2"
FPS-12A-26	12 m ³ h and 26 stages	2"
FPS-16A-24	16 m ³ h and 24 stages	2"

The entire 4 Inch FPS 4400 pump range is unconditionally guaranteed against sand locking for 12 months.

All 4 inch pump ends when mated to a 4 Inch Franklin Electric submersible motor received a 3 Year install warranty.

Our 4" pump and our 4" motor equals confidence from Franklin to you.
